

Station 1: Earth's Interior

	Heat and pressure Stay here		
Tectonic plates converge Go to Magma Chamber	Magma in the mantle cools Stay here	Rocks melt Go to Magma Chamber	Tectonic plates converge Go to Mountain
	Heat and pressure Stay here		

		Magma cools Go to Mountain	
Magma cools Go to Volcano	Magma cools Go to Mountain	Extreme heat Stay here	Magma erupts Go to Volcano

Magma cools Go to Mountain

Station 2: Magma Chamber

Magma erupts Go to Volcano

Station 3: Volcano

Station 4: Mountain

Station 5: Soil
